

CEILING-MOUNTED VIDEO WALLS

Where You Need Them

LCM2X2U

Chief's new FUSION® Series multi-display ceiling mounts provide an easy solution for constructing video wall displays in prominent locations where walls are not easily available. These ceiling mounts can be constructed in several configurations to hold arrangements up to three displays high and three displays wide.

Information regarding Chief's new FUSION® Series single-display ceiling mounts can be found on the back of this flyer.

Model	Configuration (WxH)
LCM2X1U	2 x 1
LCM3X1U	3 x 1
LCM2X2U	2 x 2
LCM3X2U	3 x 2
LCM3X3U	3 x 3

FEATURES

- Easily align displays with independent knobs for height, plumb and lateral shift adjustments, no tools required
- Accommodates 40-60" displays for two-screen width configurations and 40-55" displays for three-screen width configurations
- Precise screen alignment
- ControlZone™ micro-height and leveling adjustments provide tight display rows and columns
- Available accessories include power and cable management, secure storage shelves, and computer and digital media player adapters
- Models can be combined to create any menu board or video wall configuration up to three displays tall

A SIMPLE SOLUTION CEILING-MOUNTED SINGLE DISPLAYS

Chief's new FUSION® Series single-display ceiling mounts provide a fresh solution for showcasing displays in prominent locations where walls are not easily available.
