

Corner Mount

For 32" to 60" Flat Panel Screens

The industry's first and only mount designed for direct corner mounting - - only from Peerless! With its pull-out swivel capability (up to 10.75"), the CM850 easily adapts to wider screens with no need for wall mount repositioning. Enjoy perfect viewing from all angles with this flexible corner mount model that pulls-out, swivels and tilts. Screen attachment plate accommodates speakers when used with smaller flat panels. Out of the way, but still in clear view, the direct corner mount is the perfect solution for flat panel screens mounted directly to the corner.
