Dynamic function

High vertical and horizontal reach

Available in silver, black, or white

180° rotation limiter

Built-in to prevent interference with walls or desk partitions

10 Year Warranty

Interactive desk mount solution

Ideal for primary-secondary monitor configuration

Set your monitors for focus & ancillary view

A popular dual monitor configuration has one screen for your primary work, and a secondary screen for alerts that may require attention, such as emails and messages. Offset post mount is often recommended for this configuration.

Ordering guide

AWMS-2-D13 consists of:

2 x AWM-ADTC dynamic arms

1 x AWM-P13 post

Recommended desk fixings:

AWM-FF F-clamp

AWM-FC C-clamp
