HUMAN ACTIVE TECHNOLOGY

SECURE. DURABLE. SLEEK.

Enhance your restaurant, airport, retail store, and more with this versatile ceiling mount for KDS and large displays. Its full motion design lets you position your screen precisely where you need it, ensuring an optimal viewing experience.

FEATURES

- **Adjustable:** Telescoping height adjustment for optimal viewing height.
- **Organized:** Internal cable management keeps cords out of sight and organized.
- **Flexible:** Adjustable tilt display angle for better viewing and reduced glare.
- **Level:** Leveling adjustment allows for the display to be perfectly positioned after hanging.
- **Adaptable:** Mounts to flat or pitched ceilings, providing flexible display placement where ceiling conditions vary.
