

MagConnect™ Wheelchair Mounts

for Apple and Microsoft Tablets

JOY
thejoyfactory

The Joy Factory is proud to manufacture two MagConnect Wheelchair Mounts for tablets and smartphones, specifically designed for users with special needs. Users of a wheelchair will experience the magic of using assistive technology without having to hold up their tablet device or needing assistance from another person. Those who use the tablet for long periods of time can now do so with limited fatigue and with better posture. Designed from the suggestions of special needs and wheelchair users, Wheelchair Mount's double-armed design adjusts to a wide variety of angles and can fold away when not in use.
